Young Seals	11:00 AM	3:00 PM

A short public commentary is provided at all feedings.

Guided tours

Seehundstation Friedrichskoog

Tours in **English** are being offered upon request.

Guided tours can be booked in two different lengths. There is the option of a **30-minute short tour** or a **60-minute tour**, with the longer tour including more information and materials. The main focus is on the **biology of seals**, especially the local species such as the **harbour seal** and the **grey seal**, as well as the work of the Seal Centre in the area of **rehabilitation**. The group will be presented with materials to look at and, in some cases, to touch, and questions will be answered. The maximum number of participants per tour is **30 people**. It is possible to conduct up to **three tours simultaneously**, allowing up to **90 guests** to participate at the same time. Larger groups can be split up so that tours and independent exploration of the Seal Centre terrain can be alternated.

Duration: Choice of **30 minutes** or **60 minutes**
